

Successful funding applications: Demonstrating need with Local Insight

Access pack - what to expect on the day

- This is an in-person event aiming to help charities operating in Buckinghamshire understand how to use data in their funding applications.
- You will hear from keynote speakers and people from other small charities.
- There will be the chance to network with other small charities throughout and at the end of the event.

Travel Information

Buckinghamshire Community Wellbeing Hub is located with the Buckinghamshire New University Campus in Aylesbury.

The nearest train station is Aylesbury - an 8-10 minute walk away

The nearest bus stop is the Walton Street stop - servicing the 50, 112, 130, 130B, 130M, 165, 300 and 502 routes. Aylesbury bus station is an 8 minute walk away.

There is no public parking available at the campus. The nearest public car parks are located at the Waterside car park (above Waitrose, entrance off the A41) or the Walton Street car park (across Walton Street from the BNU campus). Both car parks are a <5 minute walk from the Hub.

Physical Access to the Venue

- Enter the Buckinghamshire New University campus reception, from the Walton Street entrance.
- Reception will direct you to your left to the entrance of the Community Wellbeing Hub.
- Once inside, turn right and walk through the double doors.

Buckinghamshire New University's Aylesbury campus main entrance as seen from Walton Street

The entrance to the Community Wellbeing Hub (as seen from inside the BNU Aylesbury campus main reception atrium)

The double doors lead to the large open space at the back of the Hub

The main room will include a seating area and some tables for break out groups

There is level access from the street, through to the event room.

The room has a carpeted floor.

Language, Communication and Visual Access

There are windows on two sides of the main room, providing plenty of light with views of the canal to the rear.

We expect approximately 50 attendees.

There will be conversational level noise throughout the day during networking and table discussions. There will be louder speaking voices during presentations.

You are welcome to sit in the reception area or other communal spaces should you need a quiet space away from the room.

There is no requirement for any physical contact throughout the day, although there will be group networking. It is entirely optional whether you shake hands when meeting new people.

Social Media

We may post on social media during this event, and we will be using LinkedIn and Facebook.

If you post on these social channels, please tag or use the hashtag #BucksDataExchange and we will engage with as many posts as possible.
